

# Chicopee Woods Elementary School

## HAWK HAPPENINGS

### Message from the Principal

Hello Parents,

We have had an very successful first month of school! Our students are settling into a routine and have learned our school-wide expectations. They have also learned the importance of following **The Way of the Woods**.

Students are loving our new STEM specials class where they are engaging in communication, creativity, cooperation, and critical thinking! Another exciting happening was the harvesting of cabbages our 4th graders planted last spring. It was so exciting to see how much these cabbages had grown over the summer.

Our annual Taste of Chicopee event will be on Friday, September 15. Look for more information coming soon.

We will begin welcoming parents to enjoy lunch with the child beginning Tuesday, September 5th. Due to limited seating, we ask that only two visitors per student (one of the visitors must be a parent/guardian). Also due to space, we have created a covered picnic area just outside the cafeteria for parents to enjoy lunch with their child. Only your child will be permitted to eat with you. Please do not bring in food from outside restaurants. See the Lunch Visitor schedule to see which day your child's grade level is welcoming lunch visitors.

Thank you for entrusting your children to us. We look forward to a productive and exciting September.

Best Regards,

Rebecca Fisher  
Principal  
Chicopee Woods Elementary School

### The Way of the Woods

Hawks are....  
**Responsible,  
Respectful  
Learners**
